## Students find ST useful

**THE** wired generation is finding new reasons to pick up the newspaper – improved English grades and general knowledge.

A survey of 336 pupils in Primary 3 to 6, and 299 students from Secondary 1 to 4, who use The Straits Times during reading sessions and English class, found that a majority had even developed the habit of independently reading current events.

Their favourite sections? The front page, Life! and Home.
