Y.E.S. 9.33 FM DJ, Mary Bukoh, who's a Good English icon for this year's Speak Good English Movement, is already doing her well, good work by starting with her colleagues. Shares the bilingual Mary, "While onboard Jetstar Airways with my TV co-host, Jeff Wang, Jetstar's PR manager, who was chaperoning us, asked kindly, 'How many hot meals did you have?' When I saw Jeff hesitating, I answered on his behalf. Later, Jeff told me he almost replied, 'I have one Hotmail. Do you want my Yahoo?' Haha!"
