### **Logophiles' response**

Logo - word, phile - lover of. We had some quite spectacular words from the readers who took the time to share their special words with us. Thank you.

The winning contribution was:

"My favourite word is "ALBEIT" – a simple word that allows one to express a situation/condition so economically. Alas, very few amongst us have pronounced it correctly - all-BE-it."

**THIS WEEK'S WINNER IS:**

Lawrence Tan, congratulations!

We will answer some of your spoken English language questions in this column, and a book prize will be awarded weekly for the question, anecdote or most useful to our readers. Email us at [sayitright@newstoday.com.sg](mailto:sayitright@newstoday.com.sg)
